This office action is in response to the amendment filed June 9, 2004. The changes to the claims are acknowledged. Claims 60-62, 64-82, and 100-102 remain after the amendment. All objections and rejections made in the last office action are withdrawn in view of the amendment.

Allowable Subject Matter

Claim 63 was identified as containing allowable subject matter in the last office action but was objected to for depending from a rejected base claim. Applicant has incorporated the limitations of claim 63 into independent claim 60. Accordingly claims 60-62, 64-82, and 100-102 are now allowed.
